ATTENTION URGENT MESSAGE: CEDARCIDE IS INCREASING THEIR PRICES next week starting ON APRIL 4th

***See the email I got from them today pasted below (I added the price per gallon for FYI)
I urge you to get what you can at the old price. Not sure why they did this but owner did mention recently that he had not raised any of his prices in last 10 years. PCO stayed the same Best Yet was increase for all their customers unfortunately it included us***

Price increases will happen starting April 4th- Only on BEST YET, single quarts, single spritzer will remain the same, only gallons, qts and gallons cases, barrels of BEST YET will climb in price. Example BEST YET single gallon was \$75.00 now \$99.95

Mite Kit with 3 gallons was 474.95 will be 479.95
(this is \$68 a gallon for fogging product)

Mite Kit with 5 gallons was 574.95 will be 649.95
(this is \$75 a gallon for fogging product)

Mite Kit with 8 gallons was 724.95 will be 874.95
(this is \$75 a gallon for fogging product)

BEST YET case of 4 refill was 250 will be 379.95
(this is \$95 a gallon for fogging product)

BEST YET case of 8 refill was 450 will be 719.60
(this is \$90 a gallon for fogging product)

**If you are ready to order, you can save the price increase if you order before 4.4.11..
